

樂妍站

將會由 2025 年 6 月開始分階段投入服務，與全港 18 區的地區康健中心 / 站組成地區康健網絡，為符合資格的婦女提供以預防為本及更個人化的女性基層醫療服務，並加強婦女健康的推廣及教育工作。

有興趣接受婦女健康服務的女士可以先到地區康健中心 / 站登記，地區康健中心 / 站會透過基本健康評估和個別諮詢，識別有需要的婦女並轉介至樂妍站接受服務。樂妍站將於 2025 年 6 月開始聯絡已登記的女士安排預約。

Women Wellness Satellites (WWSs) will be operational by phases from June 2025, and collaborate with the **District Health Centres/Expresses (DHC/Es)** across all the 18 districts in Hong Kong to form a district health network, providing preventive-based women health services to eligible women, and also strengthening the promotion and education of women's health.

Women who are interested in receiving women health services can first register at **DHC/Es** and receive initial health assessment and counselling. They will then be referred to **WWSs** for services as appropriate. The **WWSs** will start contacting the registered women to arrange appointments in June 2025.
